### Michael Brown Awarded \$11,000 Counseling Fellowship From NBCC and Affiliates

Jersey City, NJ—The NBCC Foundation, an affiliate of the National Board for Certified Counselors (NBCC), recently selected Michael Brown, of Jersey City, New Jersey, for the NBCC Minority Fellowship Program-Addictions Counselors (MFP-AC). As an NBCC MFP-AC fellow, Brown will receive funding and training to support his education and facilitate his addictions counseling service to underserved minority transition-age youth (ages 16–25).

The NBCC MFP-AC is made possible by a grant awarded to NBCC by the Substance Abuse and Mental Health Services Administration (SAMHSA) in September 2014. The Foundation is contracted by NBCC to administer the NBCC MFP-AC, as well as training and collaboration activities, such as [webinars](#), that are open to all National Certified Counselors (NCCs). The goal of the program is to reduce health disparities and improve behavioral health care outcomes for racially and ethnically diverse populations by

increasing the available number of culturally competent behavioral health professionals.

The NBCC MFP will distribute up to \$11,000 to Brown and the 30 other master's-level addictions counseling students selected to receive the fellowship award. Brown is a graduate of Saint Peter's University, in Jersey City, New Jersey, and is currently a master's student in the clinical mental health counseling program at New Jersey City University. Upon graduation, Brown intends to work with underserved transition-age youth, particularly those who struggle with mental health and addiction issues. He would like to assist those for whom mental health services are lacking and who feel marginalized. This fellowship will allow Brown to attend counseling conferences to learn more about the profession and scope of counseling, establish relationships with other students and practitioners, and learn practices and skills to better serve his target populations.

The NBCC Foundation has also awarded 23 \$20,000 [doctoral fellowships](#) through the Minority Fellowship Program and 30 \$8,000 master's-level fellowships through the [MFP-Youth](#) (MFP-Y). The Foundation plans to open the next NBCC Minority Fellowship Program application period in September 2017.
