NBCC Foundation Awards 2017 Scholarship to Mirela Roşoiu

Bucharest, Romania—The NBCC Foundation, an affiliate of the National Board for Certified Counselors, Inc. (NBCC), recently awarded one of the 2017 NBCC Foundation [Global Career Development Facilitator](#) (GCDF) scholarships to Mirela Roşoiu, of Bucharest, Romania. The goal of the GCDF scholarship program is to increase the number of available counselors providing quality career guidance and facilitation. In doing so, the GCDF scholarship program plays an important role in the Foundation’s mission to leverage the power of counseling by strategically focusing resources for positive change. Roşoiu will receive \$2,000 to support her counseling education and recognize her commitment to providing career counseling and guidance.

Roşoiu aims to develop a counseling program for parents and children, focusing on vocational counseling, in order to provide a safe guidance space and the appropriate tools to make positive changes in their behavior and communication patterns. She wants to help her clients unwrap their hidden dreams and talents and access resources, such as confidence, patience, optimism, and calm, to find their strengths and improvement zones so that they are able to discover and follow their vocation. Earning this scholarship will also give Roşoiu the opportunity to develop partnerships with other communities that aim to help educators, parents, and children discover their potential and develop it purposefully, step by step. Last but not least, this scholarship is an important step in Roşoiu’s career path in further developing a strong professional identity as a counselor, and sharing and connecting with a global counseling community.
