### Shawna L. Lupori Awarded \$11,000 Counseling Fellowship From NBCC and Affiliates

South Park, PA—The NBCC Foundation, an affiliate of the National Board for Certified Counselors (NBCC), recently selected Shawna L. Lupori, of South Park, Pennsylvania, for the NBCC Minority Fellowship Program-Addictions Counselors (MFP-AC). As an NBCC MFP-AC fellow, Lupori will receive funding and training to support her education and facilitate her addictions counseling service to underserved minority transition-age youth (ages 16–25).

The NBCC MFP-AC is made possible by a grant awarded to NBCC by the Substance Abuse and Mental Health Services Administration (SAMHSA) in September 2014. The Foundation is contracted by NBCC to administer the NBCC MFP-AC, as well as training and collaboration activities, such as [webinars](#), that are open to all National Certified Counselors (NCCs). The goal of the program is to reduce health disparities and improve behavioral health care outcomes for racially and ethnically diverse populations by

increasing the available number of culturally competent behavioral health professionals.

The NBCC MFP will distribute up to \$11,000 to Lupori and the 30 other master's-level addictions counseling students selected to receive the fellowship award. Lupori is both a student and graduate of California University of Pennsylvania, where she is currently pursuing a master's degree in the clinical mental health counseling program. Upon graduation, Lupori plans to serve transition-age youth and young adult minorities, specifically those who suffer from addictive disorders. Earning this fellowship will add to Lupori's skillset through ongoing training, mentoring, access to the Foundation's resource professionals directory and coaching from an advisory council of practitioners in the field of clinical mental health counseling. Furthermore, Lupori will establish a competent professional identity while ascertaining evidence-based practices to better assist underserved populations and advocate for the counseling profession.

The NBCC Foundation has also awarded 23 \$20,000 [doctoral fellowships](#) through the Minority Fellowship Program and 30 \$8,000 master's-level fellowships through the [MFP-Youth](#) (MFP-Y). The Foundation plans to open the next NBCC Minority Fellowship Program application period in September 2017.
