### **Analiza Dolliente Brantly Awarded \$11,000 Counseling Fellowship From NBCC and Affiliates**

Kansas City, MO—The NBCC Foundation, an affiliate of the National Board for Certified Counselors (NBCC), recently selected Analiza Dolliente Brantly, of Kansas City, Missouri, for the NBCC Minority Fellowship Program-Addictions Counselors (MFP-AC). As an NBCC MFP-AC fellow, Brantly will receive funding and training to support her education and facilitate her addictions counseling service to underserved minority transition-age youth (ages 16–25).

The NBCC MFP-AC is made possible by a grant awarded to NBCC by the Substance Abuse and Mental Health Services Administration (SAMHSA) in September 2014. The Foundation is contracted by NBCC to administer the NBCC MFP-AC, as well as training and collaboration activities, such as [webinars](#), that are open to all National Certified Counselors (NCCs). The goal of the program is to reduce health disparities and improve behavioral

health care outcomes for racially and ethnically diverse populations by increasing the available number of culturally competent behavioral health professionals.

The NBCC MFP will distribute up to \$11,000 to Brantly and the 30 other master's-level addictions counseling students selected to receive the fellowship award. Brantly is a graduate of Far Eastern University, in Manila, Philippines, and is currently a master's student in the social work program at Park University, in Parkville, Missouri. There are many opportunities that Brantly would like to pursue upon graduation, including working with children with developmental disabilities, especially those who are diagnosed with autism spectrum disorder. Brantly also recognizes that drug dependency is a long-standing condition with a high rate of relapse, and she hopes to work with individuals struggling with substance abuse disorders. Brantly is also considering continuing her education with a doctoral degree in psychology.

The NBCC Foundation has also awarded 23 \$20,000 [doctoral fellowships](#) through the Minority Fellowship Program and 30 \$8,000 master's-level fellowships through the [MFP-Youth](#) (MFP-Y). The Foundation plans to open the next NBCC Minority Fellowship Program application period in September 2017.
