Beverly Van Drunen Awarded \$8,000 Counseling Fellowship From NBCC and Affiliates

Merrillville, IN—The NBCC Foundation, an affiliate of the National Board for Certified Counselors (NBCC), recently selected Beverly Van Drunen of Merrillville, Indiana, for the NBCC Minority Fellowship Program-Youth (MFP-Y). As an NBCC MFP-Y fellow, Van Drunen will receive funding and training to support her education and facilitate her service to underserved minority populations, with a specific focus on transition-age youth (ages 16–25).

The NBCC MFP-Y is made possible by a grant awarded to NBCC by the Substance Abuse and Mental Health Services Administration (SAMHSA) in September 2014. The Foundation is contracted by NBCC to administer the NBCC MFP-Y, as well as training and collaboration activities, such as [webinars](#), that are open to all National Certified Counselors (NCCs). The goal of the program is to reduce health disparities and improve behavioral

health care outcomes for racially and ethnically diverse populations by increasing the number of available culturally competent behavioral health professionals.

The NBCC MFP will distribute \$8,000 education awards to Van Drunen and the 29 other master's-level counseling students selected to receive the fellowship award. Van Drunen is a graduate of Indiana University Bloomington and is currently pursuing a master's in the school counseling program at Purdue University Northwest, in Hammond, Indiana. Upon graduation, Van Drunen aspires to work as a school counselor serving minority high school students. She is particularly interested in working with at-risk youth who have suffered trauma and struggle to find support in their community. Van Drunen hopes to use her passion for education to guide struggling students toward successful futures. She also aims to do her part in closing the gap in counseling services to Spanish-speaking students and families. This fellowship will allow Van Drunen to receive the necessary training to become a strong and effective counseling professional.

The NBCC Foundation has also awarded 23 \$20,000 [doctoral fellowships](#) through the Minority Fellowship Program and 31 master's-level fellowships of up to \$11,000 through the [MFP-Addictions Counselors](#) (MFP-AC). The Foundation plans to open the next NBCC MFP-Y application period in September 2017. To learn more about the NBCC MFP and its fellows, please visit www.nbccf.org/Programs/Scholarships.
