### Brandy Heavrin Awarded \$11,000 Counseling Fellowship From NBCC and Affiliates

Bowling Green, KY—The NBCC Foundation, an affiliate of the National Board for Certified Counselors (NBCC), recently selected Brandy Heavrin, of Leitchfield, Kentucky, for the NBCC Minority Fellowship Program-Addictions Counselors (MFP-AC). As an NBCC MFP-AC Fellow, Heavrin will receive funding and training to support her education and facilitate her addictions counseling service to underserved minority transition-age youth (ages 16–25).

The NBCC MFP-AC is made possible by a grant awarded to NBCC by the Substance Abuse and Mental Health Services Administration (SAMHSA) in September 2014. The Foundation is contracted by NBCC to administer the NBCC MFP-AC, as well as training and collaboration activities, such as [webinars](#), that are open to all National Certified Counselors (NCCs). The goal of the program is to reduce health disparities and improve behavioral health care outcomes for racially and ethnically diverse populations by increasing the available number of culturally competent behavioral health professionals.

The NBCC MFP will distribute \$11,000 to Heavrin and the other master's-level addictions counseling students selected to receive the fellowship award. Heavrin is both a student and graduate of Western Kentucky University in Bowling Green, where she is currently pursuing a master's in clinical mental health counseling. After graduation, she would like to work with underserved individuals and families with a focus on those struggling with addiction. This fellowship will allow her to network with professionals in the field as well as financially assist her with her professional goals.

The Foundation plans to open the next NBCC MFP-AC application period in September 2015. To learn more about the NBCC MFP and its fellows, please visit [www.nbccf.org](http://www.nbccf.org).
