### Chris Allen Shreve Awarded \$20,000 Counseling Fellowship From NBCC and Affiliates

Rochester, MI—The NBCC Foundation, an affiliate of the National Board for Certified Counselors (NBCC), recently selected Chris Allen Shreve, of Detroit, Michigan, for the National Board for Certified Counselors Minority Fellowship Program (NBCC MFP). As an NBCC MFP Fellow, Shreve will receive funding and training to support his education and facilitate his service to underserved minority populations.

The NBCC MFP is made possible by a grant first awarded to NBCC by the Substance Abuse and Mental Health Services Administration (SAMHSA) in August 2012. The Foundation is contracted by NBCC to administer the NBCC MFP, as well as training and collaboration activities, such as [webinars](#), that are open to all National Certified Counselors (NCCs). The goal of the program is to strengthen the infrastructure that engages diverse individuals in counseling and increases the number of professional counselors providing effective, culturally competent services to underserved populations.

The NBCC MFP will distribute \$20,000 to Shreve and the 22 other doctoral counseling students selected to receive the fellowship award. Shreve is a graduate of Wayne State University in Detroit, Michigan, and is currently a doctoral student in the counselor education and supervision program at Oakland University in Rochester, Michigan. The target area that Shreve seeks to serve is minority populations who struggle with substance abuse issues who cannot access adequate treatment. Shreve's goal as a Fellow is to provide low-cost or free counseling to underserved populations in need of substance abuse and mental health services.

The Foundation plans to open the next NBCC MFP application period in September 2015. To learn more about the NBCC MFP and its fellows, please visit [www.nbccf.org](http://www.nbccf.org).
