Clint R. Heger Awarded $11,000 Counseling Fellowship From NBCC and Affiliates

Atlanta, GA—The NBCC Foundation, an affiliate of the National Board for Certified Counselors (NBCC), recently selected Clint R. Heger, of Atlanta, Georgia, for the NBCC Minority Fellowship Program-Addictions Counselors (MFP-AC). As an NBCC MFP-AC fellow, Heger will receive funding and training to support his education and facilitate his addictions counseling service to underserved minority transition-age youth (ages 16–25).

The NBCC MFP-AC is made possible by a grant awarded to NBCC by the Substance Abuse and Mental Health Services Administration (SAMHSA) in September 2014. The Foundation is contracted by NBCC to administer the NBCC MFP-AC, as well as training and collaboration activities, such as webinars, that are open to all National Certified Counselors (NCCs). The goal of the program is to reduce health disparities and improve behavioral health care outcomes for racially and ethnically diverse populations by increasing the available number of culturally competent behavioral health professionals.

The NBCC Foundation has also awarded 23 $20,000 doctoral fellowships through the Minority Fellowship Program, 30 $8,000 master’s-level fellowships through the MFP-Youth (MFP-Y) program, and 31 additional MFP-AC fellowships this year. The Foundation will open the next NBCC Minority Fellowship Program application period in September 2017.
