Leslie T. Morrow Awarded \$8,000 Counseling Fellowship From NBCC and Affiliates

St. Petersburg, FL—The NBCC Foundation, an affiliate of the National Board for Certified Counselors (NBCC), recently selected Leslie T. Morrow of St. Petersburg, Florida, for the NBCC Minority Fellowship Program-Youth (MFP-Y). As an NBCC MFP-Y fellow, Morrow will receive funding and training to support her education and facilitate her service to underserved minority populations, with a specific focus on transition-age youth (ages 16–25).

The NBCC MFP-Y is made possible by a grant awarded to NBCC by the Substance Abuse and Mental Health Services Administration (SAMHSA) in September 2014. The Foundation is contracted by NBCC to administer the NBCC MFP-Y, as well as training and collaboration activities, such as [webinars](#), that are open to all National Certified Counselors (NCCs). The goal of the program is to reduce health disparities and improve behavioral health care outcomes for racially and ethnically diverse populations by

increasing the number of available culturally competent behavioral health professionals.

The NBCC MFP will distribute \$8,000 education awards to Morrow and the 29 other master's-level counseling students selected to receive the fellowship award. Morrow is a graduate of Pittsburg State University, in Kansas, and is currently pursuing a master's in the school counseling program at the University of South Florida, in Tampa. Upon graduation, Morrow intends to work as a school counselor helping transition-age youth with their academic, personal and social needs. She is passionate about career development and postsecondary education opportunities for racially and ethnically diverse high school students. This fellowship will allow Morrow to receive ongoing training, attend conferences, learn evidence-based practices to better serve her community and advocate for the counseling profession.

The NBCC Foundation has also awarded 23 \$20,000 [doctoral fellowships](#) through the Minority Fellowship Program and 31 master's-level fellowships of up to \$11,000 through the [MFP-Addictions Counselors](#) (MFP-AC). The Foundation plans to open the next NBCC MFP-Y application period in September 2017. To learn more about the NBCC MFP and its fellows, please visit www.nbccf.org/Programs/Scholarships.
