Nathan Shaylor Alley Awarded \$11,000 Counseling Fellowship From NBCC and Affiliates

Eagan, MN—The NBCC Foundation, an affiliate of the National Board for Certified Counselors (NBCC), recently selected Nathan Shaylor Alley, of Dayton, MN, for the NBCC Minority Fellowship Program-Addictions Counselors (MFP-AC). As an NBCC MFP-AC Fellow, Alley will receive funding and training to support his education and facilitate his addictions counseling service to underserved minority transition-age youth (ages 16–25).

The NBCC MFP-AC is made possible by a grant awarded to NBCC by the Substance Abuse and Mental Health Services Administration (SAMHSA) in September 2014. The Foundation is contracted by NBCC to administer the NBCC MFP-AC, as well as training and collaboration activities, such as [webinars](#), that are open to all National Certified Counselors (NCCs). The goal of the program is to reduce health disparities and improve behavioral health care outcomes for racially and ethnically diverse populations by increasing the available number of culturally competent behavioral health professionals.

The NBCC MFP will distribute \$11,000 to Alley and the other master's-level addictions counseling students selected to receive the fellowship award. Alley is a graduate of the University of New Mexico, in Albuquerque, and of the College of Santa Fe, in New Mexico, and is currently a master's student in the clinical psychology and addiction counseling programs at Argosy University Twin Cities, in Eagan, Minnesota. He is committed to providing support to Native American youth in the Minnesota area. He plans on continuing that work with tribes throughout the country upon graduation. This fellowship will allow him to focus more of his energy on creating positive change in the community.

The Foundation plans to open the next NBCC MFP-AC application period in September 2015. To learn more about the NBCC MFP and its fellows, please visit www.nbccf.org.
