Nicole Pullum Receives Military Scholarship From the NBCC Foundation

Clermont, FL—The NBCC Foundation, an affiliate of the National Board for Certified Counselors, Inc. (NBCC), recently awarded a \$5,000 2016 NBCC Foundation military scholarship to Nicole Pullum, of Clermont, Florida. The military scholarship is awarded to service members, veterans and their spouses who are pursuing a counseling education and commit to serving fellow military personnel, veterans and families upon graduation.

The mission of the NBCC Foundation is to leverage the power of counseling by strategically focusing resources for positive change. The military scholarship was created in 2009 to increase access to counselors for military personnel, veterans and families suffering from a shortage of available mental health professionals. Nearly 30 students from across the country applied for the five 2016 military scholarships.

As a military scholarship recipient, Pullum will receive \$5,000 to support her counseling education and recognize her commitment to the underserved. A graduate of the University of Alabama at Birmingham, Pullum is currently a master's student in the clinical mental health counseling program at Troy University, in Altamonte Springs, Florida. Pullum plans to work with veterans who suffer from post-traumatic stress disorder. Earning this scholarship will provide her with support and the tools to be successful as a mental health counselor.

The NBCC Foundation has also awarded five \$5,000 rural scholarships to increase the number of counselors serving rural areas. The Foundation plans to continue offering scholarships to increase the number of counselors in the areas where they are needed most and will open the next application period in September 2016.
