FOR IMMEDIATE RELEASE

April 29, 2015

Raphael Fredric Roxas Samson Awarded \$11,000 Counseling Fellowship From NBCC and Affiliates

West Long Branch, NJ—The NBCC Foundation, an affiliate of the National Board for Certified Counselors (NBCC), recently selected Raphael Fredric Roxas Samson, of Ocean, New Jersey, for the NBCC Minority Fellowship Program-Addictions Counselors (MFP-AC). As an NBCC MFP-AC Fellow, Fredric Samson will receive funding and training to support his education and facilitate his addictions counseling service to underserved minority transition-age youth (ages 16–25).

The NBCC MFP-AC is made possible by a grant awarded to NBCC by the Substance Abuse and Mental Health Services Administration (SAMHSA) in September 2014. The Foundation is contracted by NBCC to administer the NBCC MFP-AC, as well as training and collaboration activities, such as [webinars](#), that are open to all National Certified Counselors (NCCs). The goal of the program is to reduce health disparities and improve behavioral health care outcomes for racially and ethnically diverse populations by increasing the available number of culturally competent behavioral health professionals.

The NBCC MFP will distribute \$11,000 to Samson and the other master’s-level addictions counseling students selected to receive the fellowship award. Samson is a graduate of De La Salle University in the Philippines and is currently a master’s student in the alcohol and drug counseling program at Monmouth University in West Long Branch, New Jersey. Upon graduation, he intends to provide substance abuse counseling to transition-aged underserved minority populations. This fellowship will help him achieve various career and personal goals such as completing his degree and various licensing requirements to help him better serve his target population.

The Foundation plans to open the next NBCC MFP-AC application period in September 2015. To learn more about the NBCC MFP and its fellows, please visit www.nbccf.org.

ABOUT THE NBCC FOUNDATION
