### Hillary Christyna Reed Awarded \$15,000 Counseling Fellowship From the NBCC Foundation

Tampa, FL—The NBCC Foundation, an affiliate of the National Board for Certified Counselors (NBCC), recently selected Hillary Christyna Reed, of Tampa, Florida, for the NBCC Minority Fellowship Program for Addictions Counselors (MFP-AC). As an NBCC MFP-AC Fellow, Reed will receive funding and training to support her education and facilitate her addictions counseling service to underserved populations.

The NBCC MFP-AC is made possible by a grant awarded to the NBCC Foundation in collaboration with the Association for Addiction Professionals (NAADAC) by the Substance Abuse and Mental Health Services Administration (SAMHSA). The NBCC Foundation administers the MFP-AC, including training and collaboration activities, such as [webinars](#), that are open to all board certified counselors. The goal of the program is to reduce health disparities and improve behavioral health care outcomes for racially and ethnically diverse populations by increasing the available number of culturally competent behavioral health professionals.

The NBCC Foundation will distribute \$15,000 to Reed and the other 39 master's-level addictions counseling students selected to receive the fellowship award. Reed is a graduate of Howard University and is currently a master's student in the mental health and addiction counseling program at The College of William & Mary. Upon graduation, Reed intends to work with the military population, primarily those who have post-traumatic stress disorder (PTSD). She would also like to work with African American youth in underserved populations who also suffer from PTSD. Earning this fellowship will allow Reed the opportunity to network with a wide variety of counseling professionals and learn to better advocate and contribute to the African American and military communities.

The NBCC Foundation has also awarded 20 \$20,000 [doctoral fellowships](#) through the MFP and 30 \$10,000 [master's-level fellowships](#) through the MFP-Mental Health Counseling-Master's (MFP-MHC-M). The NBCC Foundation plans to open the next NBCC MFP-AC application period in fall 2020.
