## **D'Amani D. Bowman Receives Rural Scholarship From the NBCC Foundation**

Browns Mills, NJ—The NBCC Foundation, an affiliate of the National Board for Certified Counselors, Inc. (NBCC), recently awarded an \$8,000 NBCC Foundation rural scholarship to D'Amani D. Bowman, of Browns Mills, New Jersey. The rural scholarship is awarded to master's-level counseling students who are from rural communities and commit to practicing in rural areas upon graduation.

The mission of the NBCC Foundation is to leverage the power of counseling by strategically focusing resources for positive change. The Foundation created the rural scholarship in 2009 to improve access to counseling services in rural communities, which suffer disproportionately from a lack of mental health care. The NBCC Foundation awarded six \$8,000 [rural scholarships](#) for the 2020–2021 award year.

As a rural scholarship recipient, Bowman will receive \$8,000 to support her counseling education and recognize her commitment to underserved communities. Bowman is a graduate of and is currently enrolled at Rider University as a master's student in the clinical mental health counseling program. After obtaining her master's degree, Bowman will work in a rural area assisting communities with accessing mental health services. She is also passionate about working in a juvenile facility that focuses on helping troubled and incarcerated young girls and boys see the value in their lives in addition to becoming an advocate for them. Earning this scholarship will allow Bowman to continue gaining the knowledge and skills that are needed to be an effective counselor and help heal those she is passionate about serving.

The NBCC Foundation has also awarded six \$8,000 [military scholarships](#) to increase the number of counselors serving fellow military personnel, veterans, and their families. The Foundation plans to continue offering scholarships to increase the number of counselors in the areas where they are needed most and will open the next application period in spring 2021. Through the NBCC Foundation scholarship programs, over \$860,000 has been awarded to over 200 counseling students working to provide effective, culturally competent services to underserved populations.
