### **Derrick McCluskey Receives Rural Scholarship From the NBCC Foundation**

Northfield, MA—The NBCC Foundation, an affiliate of the National Board for Certified Counselors, Inc. (NBCC), recently awarded an \$8,000 2019 NBCC Foundation rural scholarship to Derrick McCluskey, of Northfield, Massachusetts. The rural scholarship is awarded to counseling students who are from rural communities and commit to practicing in rural areas upon graduation.

The mission of the NBCC Foundation is to leverage the power of counseling by strategically focusing resources for positive change. The Foundation created the rural scholarship in 2009 to improve access to counseling services in rural communities, which suffer disproportionately from a lack of mental health care. More than 85 students from across the country applied for the seven 2019 rural scholarships.

As a rural scholarship recipient, McCluskey will receive up to \$8,000 to support his counseling education and recognize his commitment to the underserved. McCluskey is a graduate of Western Connecticut State University, in Danbury, and of the University of Massachusetts, in Amherst, and is currently a master's student in the clinical mental health counseling program at the University of the Cumberlands, in Williamsburg, Kentucky. Upon graduation, McCluskey intends to work with veterans, recovering addicts, and those in need of mental health counseling in Franklin County, Massachusetts. He would also like to work with people who are often marginalized, such as ethnic minorities and people living in rural areas, where mental health services are typically lacking. Earning this scholarship will allow McCluskey to attend counseling conferences to establish a stronger professional identity as a counselor, learn evidence-based practices to better serve underserved populations, and advocate for the counseling profession.

The NBCC Foundation has also awarded six \$8,000 [military scholarships](#) to increase the number of counselors serving fellow military personnel, veterans, and their families. The Foundation plans to continue offering scholarships to increase the number of counselors in the areas where they are needed most and will open the next application period in spring 2020.
