Krystle Maria Clarke Awarded \$10,000 Counseling Fellowship From NBCC and Affiliates

Waterbury, CT—The NBCC Foundation, an affiliate of the National Board for Certified Counselors (NBCC), recently selected Krystle Maria Clarke of Waterbury, Connecticut, for the NBCC Minority Fellowship Program Mental Health Counseling-Master’s (MFP-MHC-M). As an NBCC MFP-MHC-M Fellow, Clarke will receive funding and training to support her education and facilitate her service to underserved minority populations.

The NBCC MFP-MHC-M is made possible by a grant awarded to the NBCC Foundation by the Substance Abuse and Mental Health Services Administration (SAMHSA). The Foundation administers the MFP, including training and collaboration activities, such as [webinars](#), that are open to all National Certified Counselors (NCCs). The goal of the program is to reduce health disparities and improve behavioral health care outcomes for racially and ethnically diverse populations by increasing the number of available culturally

competent behavioral health professionals.

The NBCC Foundation MFP will distribute up to \$10,000 to Clarke and the other 29 master’s-level counseling students selected to receive the fellowship award. Clarke is a graduate of the University of Connecticut, in Storrs, and is currently a master’s student in the school counseling program at Fairfield University, in Fairfield, Connecticut. Upon graduation, she intends to pursue her career in the inner city to serve students that are often marginalized. Earning this fellowship will allow Clarke to gain more hands-on counseling skills by attending counseling conferences, connecting with other professional counselors, and becoming a National Certified Counselor through NBCC, where she will have access to many online continuing education courses.

The NBCC Foundation has also awarded 20 \$20,000 [doctoral fellowships](#) through the Minority Fellowship Program and 40 [master’s-level fellowships](#) of \$15,000 through the MFP-Addictions Counselors (MFP-AC). The Foundation plans to open the next NBCC MHC-M application period in fall 2019. To learn more about the NBCC MFP and its fellows, please visit <http://www.nbccf.org/Programs/Fellows>.

About the NBCC Foundation
