### Maranda Marie Orlando Awarded \$10,000 Counseling Fellowship From NBCC and Affiliates

Warwick, RI—The NBCC Foundation, an affiliate of the National Board for Certified Counselors (NBCC), recently selected Maranda Marie Orlando of Warwick, Rhode Island, for the NBCC Minority Fellowship Program Mental Health Counseling-Master's (MFP-MHC-M). As an NBCC MFP-MHC-M Fellow, Orlando will receive funding and training to support her education and facilitate her service to underserved minority populations.

The NBCC MFP-MHC-M is made possible by a grant awarded to the NBCC Foundation by the Substance Abuse and Mental Health Services Administration (SAMHSA). The Foundation administers the MFP, including training and collaboration activities, such as [webinars](#), that are open to all National Certified Counselors (NCCs). The goal of the program is to reduce health disparities and improve behavioral health care outcomes for racially and ethnically diverse populations by increasing the number of available culturally

competent behavioral health professionals.

The NBCC Foundation MFP will distribute up to \$10,000 to Orlando and the other 29 master's-level counseling students selected to receive the fellowship award. Orlando is both a student and graduate of Rhode Island College, in Providence, where she is currently pursuing a master's degree in the mental health counseling program. Upon graduation, Orlando plans to work with children and adolescents, a delicate population that seems often forgotten. This fellowship will allow Orlando the opportunity to expand her professional standing as a mental health professional while exemplifying her dedication and passion for working with youth.

The NBCC Foundation has also awarded 20 \$20,000 [doctoral fellowships](#) through the Minority Fellowship Program and 40 [master's-level fellowships](#) of \$15,000 through the MFP-Addictions Counselors (MFP-AC). The Foundation plans to open the next NBCC MHC-M application period in fall 2019. To learn more about the NBCC MFP and its fellows, please visit <http://www.nbccf.org/Programs/Fellows>.
