NBCC Foundation Awards 2019 Scholarship to Dr. Matthew R. Shupp

Shippensburg, PA—The NBCC Foundation, an affiliate of the National Board for Certified Counselors, Inc. (NBCC), recently awarded one of the 2019 NBCC Foundation [Approved Clinical Supervisor](#) (ACS) training awards to Dr. Matthew R. Shupp, of Shippensburg, Pennsylvania. The goal of this scholarship program is to increase the number of available Approved Clinical Supervisors. Mr. Shupp will receive \$500 to support his attainment of the ACS credential.

Dr. Shupp is an associate professor in the Department of Counseling and College Student Personnel at Shippensburg University in Shippensburg, Pennsylvania, where he is a National Certified Counselor, Board Certified–TeleMental Health Provider, and a licensed professional counselor. He received his Bachelor of Arts in psychology and Master of Science in counseling from Shippensburg University, and an EdD in higher education leadership from Widener University in Chester, Pennsylvania. He also received a post-master's certificate in clinical mental health counseling from Messiah College in Mechanicsburg, Pennsylvania. Dr. Shupp has experience working with diverse individuals, including adolescent and adult populations in inpatient facilities and college counseling centers. He currently serves with various professional organizations and plans to utilize his ACS credential to help fellow clinicians pursue their professional goals and aspirations.

For more information about NBCC Foundation scholarship opportunities as well as CCE-sponsored scholarships, visit nbccf.org. More information about the ACS and other CCE credentials is available at cce-global.org.

About the NBCC Foundation

The NBCC Foundation is the nonprofit affiliate of the National Board for Certified Counselors (NBCC), based in Greensboro, North Carolina. NBCC is the nation's premier professional certification board devoted to credentialing counselors who meet standards for the general and specialty practices of professional counseling. Currently, there are more than 66,000 board certified counselors in the United States and over 50 countries. The Foundation's mission is to leverage the power of counseling by strategically focusing resources for positive change.
