### **Sonja L. Bosch Awarded \$15,000 Counseling Fellowship From NBCC and Affiliates**

Bismarck, ND—The NBCC Foundation, an affiliate of the National Board for Certified Counselors (NBCC), recently selected Sonja L. Bosch, of Bismarck, North Dakota, for the NBCC Minority Fellowship Program-Addictions Counselors (MFP-AC). As an NBCC MFP-AC Fellow, Bosch will receive funding and training to support her education and facilitate her addictions counseling service to underserved minority populations.

The NBCC MFP-AC is made possible by a grant awarded to the NBCC Foundation in collaboration with the Association for Addiction Professionals (NAADAC) by the Substance Abuse and Mental Health Services Administration (SAMHSA). The Foundation administers the MFP-AC, including training and collaboration activities, such as [webinars](#), that are open to all National Certified Counselors (NCCs). The goal of the program is to reduce health disparities and improve behavioral health care outcomes for

racially and ethnically diverse populations by increasing the available number of culturally competent behavioral health professionals.

The NBCC Foundation MFP will distribute up to \$15,000 to Bosch and the other 39 master's-level addictions counseling students selected to receive the fellowship award. Bosch is both a student and graduate of the University of Mary, in Bismarck, North Dakota, where she is currently pursuing a master's degree in the addictions counseling program. Upon graduation, Bosch intends to work with individuals with substance abuse issues and low self-esteem and confidence. Bosch would also like to work with those in need of addiction services but who do not have the funding to attend treatment or travel to treatment. Serving individuals in the rural communities would be a blessing. Earning this fellowship will allow Bosch to attend counseling conferences to establish a stronger professional identity as a counselor, learn evidence-based practices to better serve underserved populations, and advocate for the counseling profession.

The NBCC Foundation has also awarded 20 \$20,000 [doctoral fellowships](#) through the Minority Fellowship Program and 30 \$10,000 [master's-level fellowships](#) through the MFP-Mental Health Counseling-Master's (MFP-MHC-M). The Foundation plans to open the next NBCC MFP-AC application period in fall 2019. To learn more about the NBCC MFP and its fellows, please visit <http://www.nbccf.org/Programs/Fellows>.
