3. What happens if my application is not complete?

It is the applicant's responsibility to submit a complete application. Incomplete applications will **not** be considered.

4. Can I submit my application after the deadline?

5. I already have an advanced degree. Can I apply for a scholarship or fellowship for another degree at the same level, e.g., a second master's degree or a second doctoral degree?

Applicants are ineligible if they have already earned any advanced degree at the same level in a behavioral health field. Applicants are eligible if their other advanced degree is **not** already in a behavioral health field.

8. If something in my application changes after I submit my application, what should I do?

Please email us immediately at foundation@nbcc.org if any aspect of your application changes.

9. I receive funds from a work-study program through my university. Would this make me ineligible for the scholarship/fellowship?

No. Federally sponsored work-study programs do not adversely affect an applicant's eligibility for MFP funds because the university is the actual employer. Only applicants who receive other federal training grant funds are considered ineligible.

10. I receive other forms of financial aid. Will receiving the fellowship affect my financial aid status?

You must check with your other funding source to determine whether receiving the fellowship would impact any other financial aid sources.

Applicants for the MFP-Mental Health Counseling Master's and MFP-Mental Health Counseling Doctoral Fellowships must be enrolled full time in a CACREP-accredited counseling program or counseling program pending CACREP accreditation.

Students applying for the MFP for Addictions Counselors (Master's) can be enrolled (part time or full time) in a [CACREP-](#), institutionally, or [NASAC-accredited](#) master's-level addictions counseling program or other master's-level counseling program with a concentration in addictions.

Yes, but you can only be awarded one.
